

LA HACIENDA®

# OUTDOOR COOKING & HEATING

The home of Outdoor Living – from firepits and fire baskets to chimeneas, pizza ovens and electric heating, La Hacienda is the go-to brand for all things outdoor living.

We pride ourselves on our quality, which is why our products undergo rigorous quality inspections, guaranteeing our customers only ever receive the best quality products.

Many of our products are suitably packaged for Mail Order. Look out for the symbol throughout the catalogue...

LA HACIENDA®

the outdoor heating experts

## WHAT'S NEW...

With over 30 years experience and a solid reputation delivering the best that the outdoor heating category has to offer, this year is no different. For 2024 we've created innovative new retail propositions that aim to inspire consumers.

## KEEPING IT SIMPLE

In line with our ethos to keep things simple, retail customers can now **combine** their Outdoor **Cooking & Heating** and **Water Feature** requirements into one order – reducing carriage charges and streamlining our approach to distribution and delivery.

## CONSUMER INCENTIVES

To support your sales of Outdoor Cooking & Heating products we have new, added-value promotions you won't find anywhere else. **Talk to your sales representative to find out more.**

## LEADING POS SOLUTIONS

NEW FOR 2024

New for 2024, our **high-impact**, inspirational display concepts bring to life this category for consumers. With space at a premium, the new displays will **maximise sales** per square metre with shoppable solutions to suit different floor spaces.

## QUALITY ASSURED

We pride ourselves on the quality of our products. Working closely with our dedicated **Global Sourcing Teams**, our products undergo rigorous quality inspections. Guaranteeing our customers only ever receive the **best quality products**.

LA HACIENDA®

the outdoor heating experts

# FIREPITS & FIREBASKETS

Our firepits come in a huge variety of styles, from traditional to contemporary. They not only look stunning but are practical too. Most also include chrome-plated cooking grills which are perfect for BBQ style cooking into the evening.

# TRADITIONAL FIREPITS

Our traditional steel firepits offer excellent value for money and continue to be great sellers all year round. Compact in size, these products are easy to move around and ideal for any size outdoor space.

# LARGE DEEP BOWL FIREPITS

Featuring extra-large, deep bowls, these firepits have been designed with a circular air-flow that allows larger flames to be created and provides a more consistent fire. They not only look stunning but are practical too, each with a mesh cover to reduce the number of escaping sparks.

Most also include large chrome-plated cooking grills which are perfect for BBQ style cooking into the evening.
