*European Craftsmanship Since 1989*

# Solavé – Crafted in Europe, Since 1989

*Born in the heart of Europe in 1989, Solavé was founded with a vision: to blend timeless design with cutting-edge heating technology. From alpine chalets to Mediterranean terraces, our heaters have brought comfort and warmth to outdoor living spaces for over three decades.*

*The name Solavé is inspired by the sun itself—symbolizing light, warmth, and the joy of gathering. Every product reflects our heritage of European craftsmanship, engineered to endure diverse climates while maintaining elegant, modern aesthetics.*

## Brand Philosophy

*Design with Purpose – Combining style and functionality, Solavé heaters are as beautiful as they are efficient.*

*Engineered for Performance – Whether gas or electric, each unit delivers consistent, safe, and eco-conscious heating.*

*Trusted Globally – From private patios to luxury resorts, Solavé is the choice for those who demand comfort without compromise.*

*Peace of Mind – Every Solavé heater is backed by a 2-year warranty, a promise of durability and reliability.*

## GAS PATIO HEATERS

### EFFORTLESS WARMTH, ANYTIME

*Our gas patio heaters offer consistent, powerful warmth with adjustable heat settings, ensuring a cozy atmosphere even on the chilliest evenings.*

### STYLISH AND FUNCTIONAL DESIGN

*Choose from a variety of stylish designs that enhance your outdoor decor, blending seamlessly with any patio aesthetic.*

### EASY MOBILITY AND CONVENIENCE

*Equipped with sturdy wheels, our gas patio heaters can be effortlessly moved to any location, offering flexible heating for any area.*

## ELECTRIC PATIO HEATERS

### INSTANT HEAT AT THE FLIP OF A SWITCH

*Experience the convenience of instant heat with our electric patio heaters. Simply plug in and turn on for immediate warmth.*

### ENERGY EFFICIENT AND ECO FRIENDLY

*Designed to be energy-efficient, our electric heaters reduce your carbon footprint while keeping you warm effectively.*

### SAFE & SILENT OPERATION

*Enjoy quiet and safe heating with advanced safety mechanisms, providing peace of mind and uninterrupted comfort.*
